### IMPORTANT

- ▶ **Trainees' presence is mandatory. The training program is rated intensive and it requires full attention.**
- ▶ Because this training is intensive and it has a practical component, trainees are required to study the materials for each training session and be prepared for discussions.
- ▶ Our company reserves its right to postpone the training series if the minimum number of participants is not met. All cancellations and postponing will be announced at least 24h in advance.
- ▶ For further details concerning the training program and the eventual schedule modifications, the trainees are invited to check out regularly the official website – <http://csr-workshops.omnittraining.ro/> -- and the ECO forum -- <http://forum-eco.omnittraining.ro/>.
- ▶ Any communication concerning the course content should be addressed via the ECO forum, in the dedicated section (CSR Workshops). For other matters, the trainees should sent all correspondence on the Smart Solutions & Support e-mail addressess (@omnisolutions.ro).
